The Honorable William J. Casey
Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. Casey:

Recently I was visited by Dr. Malcolm Byrnes of the School of Arts and Sciences at Southern University in Baton Rouge, Louisiana. Dr. Byrnes is quite interested in establishing a summer internship program for his students which would allow them the opportunity to come to Washington for the summer.

Ideally, such a program would offer the student an invaluable chance to work within the federal government in his or her chosen field and observe the operation of our government firsthand. Of course, an additional advantage would be for the students to live, work and enjoy Washington, a city quite different from southern Louisiana. This visit could well be the first for many of them to this area of the country.

Dr. Byrnes will return to Washington in January to follow up on any leads that I can provide to him. I would very much appreciate your agreeing to visit with Dr. Byrnes to discuss the possibility of your agency's participation in such a program. Please contact me by writing so that I can make the necessary arrangements. Your attention and assistance is appreciated.

With kindest personal regards, I remain

Sincerely yours,

W. Henson Moore
Member of Congress
